TO HAVE OR NOT TO HAVE A PARK

CITIZENS TURN OUT IN LARGE NUMBERS TO CUSS AND DISCUSS THE PARK PROJECT AND DECIDE ON $200,000 BOND ISSUE

SOME LIVELY DISCUSSIONS—SESSION IS LONG DRAWN OUT

A gathering which developed a greater amount of enthusiasm than any meeting which has been held in Glendale in a number of years and one which was thoroughly alive was the meeting at the High School Tuesday evening to consider the proposition of a civic center, soldiers' and sailors' memorial and park. It was almost too enthusiastic to afford the sober discussion its promoters hoped to secure. The hall was well filled from front to rear and it appeared to be a representative audience. Men were there in large numbers, but an excellent proportion of the wives and mothers of the town was there, too, and expressed itself in terse, crisp contributions to the discussion.

The meeting was interrupted for about eight minutes by Mr. Leslie Henry, of the Victory Loan Campaign Committee, who made a very stirring plea for Glendale to arouse herself to her responsibilities and organize for the drive.

The first business of the evening was the selection of a chairman, after Norton C. Wells had called the meeting to order. Several were nominated who protested their unfitness for one reason or another and Edwin Pierce was finally chosen for the chair, C. D. Lusby being named for the secretaryship.

In response to the call of the presiding officer, Richardson D. White, as chairman of the Park Committee, submitted a report on the proposition based on the reports of subcommittees appointed to investigate sites, expense, etc., prefacing the report with an earnest plea for the project as a great need of the community, especially its young people and asking: "Does the community's responsibility toward young people end when they finish High School, a time in their lives perhaps the most critical, when they haven't the judgment or stability they will have later? Our responsibility does not end there. Our young people are entitled to a clean, decent place where they can obey their natural instinct to meet other young people in a clean, decent, social way. The social complications are going to become graver as more of our soldier boys come home. We have no time to lose."

Mr. White then briefly outlined the plan of the committee to purchase the two blocks between Isabel and Kenwood, Broadway and Wilson representing about 9½ acres on which it is proposed to build an auditorium seating 2,500, a swimming pool 50x100, a gymnasium large enough for two basket ball courts, with surrounding grounds beautified, at a cost for the land of $90,000 and a cost for buildings, grading, beautifying, etc., of about $100,000, for which bonds would have to be voted, to run probably forty years and be retired at the rate of $5,000 per year. The annual cost of maintenance represented by attendants, instructors, caretakers and the like was figured at $8,000. Interest at 5 per cent. would total $10,000 the first year and decrease $250 per year, making total cost of maintenance, bond retirement and interest $23,000 or about 25c on $100 of valuation, or $2.50 per thousand of valuation. As the assessed value of Glendale property is about 40 per cent. of its real value, Mr. White figured the owner of a $2,500 home would be assessed $1,000 and on that basis would be asked to pay for the proposed park but $2.50 per year or on a $5,000 home $5.00 per year. He then asked the question: "Wouldn't it cost you more than $2.50 or $5.00 a year, if you have boys, to pay for the number of times those boys would insist on going to the Brookside Park in Pasadena?"

There was a murmur of assent and he continued:

"Wouldn't it be a wonderful thing to have our boys stay here and have other boys coming this way, young boys, old boys, middle-aged boys? I would willingly pay from $10 to $15 a year more for the privileges I personally would get. What are you willing to pay for this wonderful thing which would benefit the whole community?" Prolonged applause followed Mr. White's remarks and during his speech he was interrupted by manifestations of approval.

Clarence Jay, who prepared the estimates, then was called to the platform and gave them in detail as follows:

Improvement of grounds which would include grading, planting of lawns and shrubbery, building walks and pergolas and making a beautiful setting for the buildings, $4,800.

Central Auditorium to be fire proof and seat 2,500 and include committee rooms, public comfort stations, and a beautiful memorial hall, $78,000.

On the right a logia for a resting place, on the left in corresponding position an arcade connecting with a gymnasium which would include dressing rooms for both gym and swimming pool—cost $12,000.

Swimming pool, concrete lined, $4,250.

On another side, hand-ball, tennis, croquet and horse-shoe grounds at the west end, these athletic features to cost approximately $600.

Pergolas and arcades of Spanish Colonial architecture to cost about $5,000.

Total, $104,650.

In response to a question relative to the disposition of the water in the swimming pools, Mr. Jay mentioned three possible methods—piping to the wash, draining into shallow cess pools, or following the example of

(Continued on Page 2)

DOUBLE WEDDING

GLENDALE MAIDS AND SOLDIERS ELUDE FRIENDS AND MARRY IN LOS ANGELES

A double elopement of two girl chums and two soldier chums and a double wedding in Los Angeles Tuesday afternoon at 2 o'clock was the news brought to Glendale last evening by the four young people most nearly concerned when they returned to ask for the parental blessing.

The quartette were Mrs. Elthea Wright Lowman, daughter of Mr. and Mrs. Oliver E. Wright of 451 Palm Drive, her husband, Leo Russell Lowman, son of Mrs. Samuel Curran of 415 Palmer avenue. Mrs. Mary Vradenburg Moore, daughter of Mr. and Mrs. George Vradenburg, of 400 Palm Drive, and her spouse, Gerald E. Moore, of Los Angeles.

They were promptly forgiven for thus giving friends and relatives the slip and a wedding reception will be held for them this evening (Wednesday), at the home of Mr. and Mrs. O. E. Wright.

The young men have but recently returned from overseas where they saw service in the battles of the Argonne and the Meuse. Mr. Lowman is a mechanical draftsman employed in Hollywood, and Mr. Moore is engaged with his father in a catering business in Los Angeles. The young people have engaged apartments in Hollywood and will make their homes there. They have a large circle of friends here who will welcome the opportunity to tender their congratulations and good wishes.

DEMAND FOR CITRUS PROPERTY

The announced subdivision and sale of the Leffingwell lemon grove, 375 acres, at Whittier, has attracted very general interest among those who are seeking a profitable investment in citrus property.

Edwin G. Hart, exclusive salesmanager, states that at the opening day, Saturday, $210,000 worth of the property was sold.

This lemon grove, counted among California's largest individual holdings, with packing house and railroad facilities on the property, is known, not only in this state, but throughout the east, because of its famous brands. Purchasers can receive the benefit of this co-operative system of care and selling, for if desired the groves will still be cared for by Leffingwell experts, and marketing will be done under the Leffingwell brands.

TRIP TO JAPAN

The Literary Section of the Tuesday Afternoon Club met at the home of the curator, Mrs. H. E. Bartlett, Tuesday, April 15. The members present took a most delightful voyage to Japan, in company with Mrs. Edgar Leavitt, a missionary who was stationed in that country. Mrs. Leavitt gave a very interesting and instructive talk on the manners and customs of the Japanese and her personal experiences while in that land. Pictures and miniature household utensils added to the interest of the occasion.

WEATHER FORECAST: Fair tonight and Thursday.

WAR PROHIBITION IN STATU QUO

PRESIDENT WILL TAKE NO ACTION UNTIL PEACE IS SIGNED AND DEMOBILIZATION EFFECTED

(Special Service to Glendale Evening News)

Paris, April 16.—President Wilson does not intend to take any action regarding war prohibition measures until peace is signed and "something is done regarding demobilization," it was learned today.

LLOYD GEORGE FACES CRISIS

DENIES ANY MISUNDERSTANDING WITH U. S. AND OPPOSES INTERVENTION IN RUSSIA

(Special Service to Glendale Evening News)

London, April 16.—Premier Lloyd George, addressing Parliament today, declared there is a complete understanding at the peace conference on the fundamental questions of the peace settlement.

He branded as untrue reports that England and the United States have had a disagreement.

Pointing out the difficulty of making peace at this time, he declared that Austria and Turkey are in danger of dissolution and that "there is no authority throughout Russia." He added that "the question of the recognition of a soviet government never has been discussed or proposed."

Amid cheers he declared that the "indemnities will not be easy" and asked that the peace delegates, "who are trying to do their best," be left alone, because "their work is not over and still is full of peril for all.

"A stern, just peace, but not a vindictive peace, is wanted," he declared.

Referring to Russia, he said: 'The internal condition of Russia does not justify a gigantic military enterprise. I would rather leave the Russians to the Bolsheviki until they see their way out than to have Britain bankrupt. It is my firm conviction that intervention was the greatest act of stupidity."

It is generally admitted that Lloyd George is now facing the greatest political crisis of his career. The current rumors that Wilson has overruled him regarding reparation and the Russian policy have disturbed public confidence.

ALL OF 91ST RETURNED

FINAL DETACHMENTS OF DIVISION ARRIVE IN NEW YORK TODAY ON TWO TRANSPORTS

(Special Service to Glendale Evening News)

New York, April 16.—Major General Johnson, commanding the 91st Division, headquarters staff and over 2,000 men, arrived today on two transports from Brest. They included Field and Staff Headquarters, Veterinary, Ordnance and Medical Detachments and Companies A to F of the 316th Engineers, the 91st Division Postal Detachment, Headquarters Detachments, Train Headquarters and military police, and the following organizations of the 362nd Infantry: Second Battalion Headquarters, Medical Detachments and Companies E, F and G, the 316th Field Signal Battalion Headquarters, supply section, Medical Detachment, and Companies A, B and C.

This practically completes the return of the 91st Division, which is composed exclusively of Pacific Coast troops.

STATE LEGISLATURE'S FINAL WEEK

NO BILLS WHICH HAVE NOT PASSED ONE HOUSE TO BE CONSIDERED BY SOLONS

(Special Service to Glendale Evening News)

Sacramento, April 16.—The Legislature today started its final week of the present session, during which no bills will be considered which have not passed one house. Many measures are scheduled to die. The Assembly was in session until nearly 8 o'clock this morning, and convenes again late this afternoon.

GERMANS WILL NOT ENTER PARIS

(Special Service to Glendale Evening News)

Paris, April 16.—The German peace delegates, in coming to Versailles to sign the peace treaty, will be brought over the same route which the German army travelled in 1914. Like the army, they will not be allowed inside of Paris, but will be taken around the city to Versailles.

117TH ENGINEERS ARRIVE

(Special Service to Glendale Evening News)

Brest, April 16.—The 117th Engineers, including the Second Battalion, California Engineers, arrived today aboard the transport Pueblo.

FARM LOANS TOTAL $200,000,000

(Special Service to Glendale Evening News)

Washington, April 16.—The Farm Loan Board reported today that the government has allowed a total of nearly two hundred millions to farmers for agricultural development since the farm loan banks were established.

THE LAST IN LINE

GLENDALE REPROACHED BY LESLIE HENRY FOR BEING UNORGANIZED FOR LOAN

Leslie Henry, who has been a prominent figure in all the Liberty Loan campaigns, addressed for about ten minutes the audience gathered at the High School Tuesday evening to consider the Memorial Park project.

He stated that he had been touring his district from Bakersfield to San Diego and from the ocean to Needles and every hamlet in it was organized except the City of Glendale, which has no chairman or loan committee and is in no shape for battle. Said he:

"It would be unfortunate if your city should have no organization for this work." He urged citizens to consider their personal responsibility for meeting this great obligation.

"There is a class of people," he said, "who feel because the war is over they are no longer obligated. The war is over for the men between 21 and 31, for the men you sent out under the draft law to do whatever they might be called upon to perform to protect the other thousands who were left; the war is over for all of those who undertook for you all the dangers and horrors of this struggle that your government and mine might be preserved, but until the last penny of that just obligation has been met the war is not over for any community in the civilized world or in the United States of America.

"There are those who think because the war is over they are not obligated to purchase because the government has not kept the other issues at par. We sent two million men to France to die, if need be, to maintain the credit of the United States dollar. We are today stronger financially than we were when the first loan was floated. Just as surely as the money we spend is worth one hundred cents on the dollar is the obligation of the United States government which is behind every issue worth one hundred cents on the dollar. But there is no law that will keep anyone from selling a thing for less than it is worth." To illustrate his point he described the boy with the toy bank which he couldn't open which contained $10 perfectly unavailable to him for spending because he couldn't get at it, who would sneak it out of the house and sell it for $9.50 which he could spend. "That," said he, "is what the people who are selling Liberty Loan bonds are doing." Continuing, he said:

"There is a class which will attempt to substitute criticism of the government for support of the government. We have provided the government and it is no better than we make it. Just as surely as this government created by us functions better than the government of Germany, you and I will have to stand up and pay the cost."

DEATH OF RANDALL MILLER

Randall Miller, aged 25 years, passed away at the home of his grandparents, Mr. and Mrs. D. F. Hartley, 231 Belmont Street, Monday, April 14, 1919. Deceased is survived by his parents, Mr. and Mrs. William S. Miller, and his brother, Harry Miller of Vancouver; also by a brother in army service in France, by an uncle, D. E. Miller of Los Angeles, and by an aunt, Mrs. Nancy Current of 1326 East Broadway. The remains, which are at the Jewel City undertaking parlors, will be sent Thursday to Vancouver for interment. No services will be held here. Randall Miller had been a resident in Glendale off and on for about two years, and a few weeks ago was stricken with pneumonia, from which he was unable to rally.

GLENDALE REPRESENTED IN S. CALIFORNIA TRACK MEET

Glendale, for the first time in several years, has been entered on the Southern California Track Meet. The meet will be held next Saturday at the field of Los Angeles High School. Glendale will be represented by a relay team consisting of Bacon, Morrow, Kuksey and Weaver; also, in the 440 by Bacon, in the 220 by Weaver and in the broad jump by Morrow.

OUTING AT SANTA MONICA

Pupils of the Eighth Grade of Cerritos Avenue School will have an outing at Santa Monica Beach Thursday under the chaperonage of Mrs. Curtis, their teacher. The full list of those who will go is not available, but it will include: Eva Dixon, Francis Goldsborough, Robert Searle, Leon Myers, Louis Litch, Raymond McClair, Clark Jennings, Allan Pollock, Dorothy Koepke, Dorothy Black, Margaret Richardson, Hart Wilson, Bryant Small, Donald Tyler, Frances Wilkes.

QUOTES SCRIPTURE

EXCERPTS FROM EXPOSE OF CHRISTIAN SCIENCE BY DR. FRENCH E. OLIVER

(Contributed)

Scripture lesson, 2 Timothy, third chapter. Text, 2 Tim. 3:16.

"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness."

I desire to state as a foundational fact, that any religion or system which denies the authority of Jesus Christ, cannot be properly called a Christian religion, or a Christian system.

It is a matter of fact that Mrs. Mary Baker, Patterson, Glover, Eddy, Frye denies the authority of Christ, and the integrity of the Holy Scriptures.

Quotations from Mary Baker Eddy are taken from "Science and Health and the Key to the Scriptures:" 1893, 1909, 1913; also from her "Rudimentary Science" and "Miscellaneous."

Mrs. Eddy says:

"A lie is all the devil there is. The supposition that there are good and evil spirits is a mistake. Evil has no reality. Beliefs of the human mind rob and enslave it, and then impute this result to another elusive personification named Satan. The devil is evil—a belief in sin."

The Bible says, Matt. 4:1: "Then was Jesus led up of the Spirit into the wilderness to be tempted of the devil."

Luke 22:31:"And the Lord said, Simon, Simon, behold Satan hath desired to have you, that he may sift you as wheat."

1 Peter 5:8: "Be sober, be vigilant; because your adversary, the devil, as a roaring lion, walketh about, seeking whom he may devour."

Romans 3:23: "For all have sinned and come short of the glory of God."

If you accept Mrs. Eddy's statements, you deny the clear teaching of the Bible regarding Satan and sin.

Mrs. Eddy says: "God never created matter.

"Matter is unknown in the infinitude of mind.

"Mortals are not created in God's image.

(Continued on Page 4)

FIRE ON ARDEN AVENUE

A fire alarm sent the two big engines at No. 1 Fire House on Broadway scudding to 324 Arden avenue where the roof of a vacant house was found to be in flames. A man "batching" in a small house beside the larger structure stated that a coal-oil stove he was using exploded and the blaze escaped from the flimsy shed sweeping upward towards the attic of the dwelling igniting it under the eaves and sweeping through the ventilating apertures. The roof was practically consumed but the walls were not much damaged. Neither was the shed much injured. Two lines of hose were used on No. 3—the new engine. Fire Chief Lankford rushed to the scene in his official auto and Firemen Dodsworth, Chambers, Rockwell, Kingsbury and St. Clair also attended.

The present owner of the property is unknown. It was last occupied by P. H. Roberts.

GOES EAST TO WED

POPULAR GLENDALE TEACHER, SOCIETY FAVORITE, ON WAY TO MEET FUTURE SPOUSE

Last evening a saddened crowd of young people accompanied to an east bound train one who had for five years been the life of many social gatherings, an earnest, consistent worker in church and Sunday School, a popular and beloved school teacher, Miss Elizabeth Jackson. She is now on her way to Chicago to meet her fiance, Mr. Armistead Milner Seland.

At Sacramento she joined her Grandmother Jackson, who came to Glendale from her home in London, Ky., several weeks ago, to be with her son Robert who was then very ill. She left one day last week and stopped over in Sacramento to visit relatives.

Miss Elizabeth arrives in Chicago Saturday and will go at once to the home of her brother where the wedding will take place. After a short wedding trip Mr. and Mrs. Seland will settle down on their une farm near Danville, Ky. They will probably visit California next winter and locate here later.

GLENDALE, CALIFORNIA, WEDNESDAY, APRIL 16, 1919

TO HAVE OR NOT TO HAVE PARK

(Continued from Page 1)

eastern centers and filtering and reusing the water. Later, City Attorney Evans spoke of the practicability of the cess pools, declaring that water in this valley travels at the rate of four miles per year, according to engineers.

Mr. Evans then explained the bonding capacity of the city as "$8,064,371, or 40 per cent. of the real value less the soldiers' exemptions ($97,171) leaving subject to taxation $7,967,200.

"The law authorizes bonding to 15 per cent. of tax valuation which in this case would be $1,195,080.15.

"We have outstanding a bonded indebtedness of $402,000.

"Of that amount of bonds $326,000 are revenue producing—water and light bonds which are self-sustaining, which are supported entirely from the revenues of the systems.

"Our non-revenue-producing bonds are $76,000.

"We have a remaining bonding capacity of $793,080."

Mr. Evans suggested as a compromise proposition the purchase of the Sanitarium block and of enough of the block west of that to reach to the alley in the rear of the lots facing Kenwood street, which he argued would give almost as much ground at a reduced expense.

The meeting was then thrown open to general discussion and many responded.

E. U. Emery said: "I have lived here for 14 years and seen the city grow from 400 to 10,000 population and I would like to see a park worthy the beauty of Glendale. (Applause). I would oppose although I would not vote against a one-block park, but I would like to see the two blocks in question as I feel confident the price is as low as the City of Glendale or any private corporation can buy it for in future. I think the City of Glendale the most beautiful and finest city in Southern California (applause) and I am willing to pay more taxes because I believe that park will not only increase the value of our property, but will increase the moral standing of our community. What is $200,000 to a city the size of Glendale with a property valuation of $8,000,000!"

Claud O. Pulliam referred to the growth of the city during his 12 years' residence and predicted if it continues at the same rate a population of 35,000 ten years hence. "So," said he, "we do not want to do anything that will look skimpy or small to the 35,000 who will be here in ten years." (Applause).

J. C. Sherer then raised a protesting voice declaring the community is not unanimous in regard to everything proposed, saying: "I know there are a great many taxpayers in the City of Glendale who find it very difficult to pay their taxes. Quite a number have quite frequently let their taxes go delinquent, and to add even a few dollars to the taxation of unfortunate property owners who cannot give away or sell their holdings is not a spirit of generosity. I have been in Glendale long enough to say that I have done something for Glendale and I appreciate the fact that Glendale has done something for me. I was here before Glendale was and I have always been a booster for Glendale. Ten years ago I predicted that within twenty years we would have a population of 25,000 people, but there is another side to this proposition which should be heard. I am opposed at the present time to spending $200,000 for something which does not promise to pay its own way, for anything that is purely a luxury, and I regard the park project as purely a luxury. The question of a memorial does not appeal to me as necessary. I do not believe the men demand it. I do think Glendale needs a park, not so much for young people as for the entertainment of the guests within our gates. Therefore I would be willing to split the difference and support a proposition that would involve an expenditure of about $100,000.

Mrs. James Mullen: "To my mind you have not discussed the most important thing. You have not said how the playground is to be controlled. I think we ought to know very definitely how many days in the week it is to be open and how it is to be controlled. I disagree with Mr. Sherer when he says it is a luxury. A playground is never a luxury in a community. (Big applause). If a playground is a luxury, police and courts are a luxury. You want the support of the mothers—of the women, but we always look ahead. We want to know more things than you men want to tell us." (Laughter).

Chairman Pierce: "A good rule is to first catch your rabbit before you cook it. When we have the playground I think we will be competent to conduct it." (Applause).

Alexander Mitchell: "I have lived in Glendale four years longer than Mr. Emery and almost as long as Mr. Sherer."

Mr. Wells: "I would like to remind the speaker that he lives in Casa Verdugo."

Mr. Mitchell: "I expect soon to be in Glendale. With all due respect to Mr. Sherer, I have known men who have made fortunes here while he has been sitting down there knocking everything. (Laughter). We have a fair sample in these grounds of what we did when we built the High School. Compare ours with Pasadena, and I venture to say the expenditure for these grounds was as great. Property is going up and the City of Glendale is going to grow and therefore I advocate two blocks. It is not a luxury. It is a memorial to boys sleeping in France." (Applause).

A. W. Scudder: "I am here to represent one of the best organizations in the country, the G. A. R. They are unanimously in favor of this matter and I have the right to so report. If you consider what was done in the Civil War and what was accomplished by our boys over there and can then wince and wiggle about high taxes and not vote for those two blocks, I cannot help but wonder."

C. R. Norton: "I represent in a small way the G. A. R. and was appointed by the commander to be here and say that a vote was taken at our last meeting which was unanimously in favor of this movement. (Applause). It seems very strange to me that anyone can halt on such a proposition as this and complain of the small tax a year that the boy or girl may secure enjoyment, protection and development; and those beautiful trees and shrubs on the Sanitarium grounds! It is a magnificent proposition and ought to carry unanimously." (Applause).

Mrs. A. A. Barton: "I represent the Glendale Federation of Parent-Teacher Associations with a membership of 800, which would represent 1,600 boys and girls and a total of 2,500, and I can represent them as being in favor of this center. A playground is not a luxury. We sent our boys over there to do whatever they could to make the world a fit place for the generations to come. It seems to me a very small part to keep on with the good work and make this town a fit place for our children to grow up in." (Applause).

Charles Chandler: "I haven't been here as long as Mr. Sherer—only five years, but in those early days when we had a mass meeting it wasn't a jubilee. I came expecting someone would say something against this proposition. I would like to hear what can be said on the other side. The question of size has been raised. If this city had to do over again the purchasing of High School grounds, would they leave that tier of lots on Brand boulevard? No. Let's not make that mistake again. I think the city will never be called upon to vote on a large park. When we need one all we have to do is to extend one of our streets running west and we will acquire Griffith Park, without costing us a cent beyond the cost of extending the street. So this is all the money the town will ever be asked to vote for this purpose."

Mr. Beldin: "I challenge the patriotism of everybody in favor of this project. The Memorial Park is in the interest of our soldiers. I have one. I will give $10.00 in cash for every $100 of this world's goods I own if every member of the Greater Glendale Development Association will do the same thing to establish some industry and turn it over to the boys of Glendale who are returning from the army, something which will be a memorial and be of some benefit to them." He then referred to the Sanitarium as a valuable asset in bringing money to Glendale and protested against the purchase of its property for fear it might leave the city and go elsewhere. As one hearer expressed it: "He advocated freezing the Sanitarium in." When he finally said: "I am in favor of a park," the applause was simply deafening and long continued. When he got another hearing he said: "If you are going to have a park, have it open all the time. I am well aware a civic center is a thing this town needs and needs it bad, and a swimming pool and all those things. (Applause). The thing to do for the soldiers is not to bond them for a park that it will cost $8,000 to maintain and not a single one with a job to maintain himself while he is paying for the park. My proposition is to build an industry which will give every soldier a job." Mr. Beldin declared, however, that the proposition would be defeated because of the church building on one corner and denominational jealousy.

Mr. Emery: "Boys that can go over and lick the Germans can get jobs and make a living when they come back." (Tremendous applause).

Mr. Downs moved that speakers be limited to five minutes. Motion carried.

Mr. McCourt: "If it would make the sentiment unanimous, let's buy the church."

Mr. Lane: "I am much pleased with the plans of buildings and grounds as outlined. I have always advocated a central park and other parks, for besides the central park I think we should have resting places in other parts of the city." He then criticised the committee for not putting more than one site before the meeting and suggested a site in connection with the High School which he imagined could be bought for less money. He also questioned the advisability of erecting buildings now while materials are so high.

E. E. Harwood urged that a vote be taken as persons were beginning to leave the hall, and offered a motion.

Rev. Smart moved to table the motion until he could be heard. After some clever parliamentary skirmishing in which the ladies showed to advantage, Mr. Smart was permitted to present his substitute proposition, viz: A civic center and a separate park for which he presented a rough map of 22 acres in Sycamore Canyon in the northeast corner of the city, which, he said, was well forested, contained a natural amphitheatre and had many advantages, including accessibility to car line. He also objected to the consideration of but one site stating that others had been suggested to him.

Mr. McGillis asked to be heard long enough to say that unless the people would unite on one site he feared the proposition would fail and he favored the plans outlined.

The vote was then taken after a considerable number had departed as the hour was late. It was a standing vote to indorse the project as outlined by the committee and recommend it to the City Council. The vote as counted by Secretary Lusby stood 135 in favor—18 opposed.

The meeting then adjourned.

Personals

Mrs. J. H. Orth and daughter, Miss Hettie, are able to be out after a two weeks' siege of the influenza.

Miss Marcella Miller of 114 West Broadway will spend the week-end at Long Beach as the guest of Miss Irene Ward.

The Womans Guild of St. Mark's Church will meet in the basement of the Church Thursday, 2:30 p. m., for work.

Misses Clara Midcalf, Margaret McPherson and Frances Jackson will spend the Easter vacation with Miss Edna Jones at her ranch home at Yucaipa.

The Philanthropic Section of the Tuesday Afternoon Club will be entertained Thursday afternoon by Mrs. Oliver O. Clark at her home, 346 North Louise street.

Miss Robertson of the Intermediate teaching staff will spend her Easter vacation at her home in Pomona, and Miss Wooldridge will be with her relatives in Rialto.

Principal E. E. Harwood of the Cerritos Avenue School is planning to spend his Easter vacation in Venice. His wife and family will go to Orange to visit Mrs. Harwood's parents.

Next Friday afternoon at 2:30 the W. C. T. U. will meet at the home of Mrs. P. E. Keim, 342 West California Avenue. Subject: W. C. T. U. Evangelism. Leader, Mrs. G. F. Corbin.

Mr. and Mrs. F. M. George entertained as week-end guests at their home, 414 North Maryland, Mr. and Mrs. C. W. Gates and daughter, Virginia, of Indiana, who are spending the winter in Long Beach. The Georges are moving today to 1014 East Harvard.

Mr. Barclay will be the special speaker at an assembly to be held this afternoon at the Intermediate School at 2:40 o'clock, his theme being "Darkest Africa.' He and Mrs. Barclay, who has been the principal of the Mariposa School, will leave the first of May for the Dark Continent.

Miss Eva Daniels was hostess Monday evening at a dinner party, very pretty in all its appointments, red carnations dominating the floral decorations. Covers were laid for Mr. and Mrs. A. H. Desky of Salt Lake City, Mr. and Mrs. Salo Desky of Los Angeles, Mr. and Mrs. George C. Daniels, their daughter Helen Daniels, Victor Daniels, Mrs. Reba Phillips, Harold W. Phillips and the hostess.

Mr. Edward S. Jerome, writer, historian and lecturer, will speak Thursday evening, April 17th, 8 o'clock, at the home of Mr. and Mrs. J. C. Dennerlen, 1304 North Central avenue, on "The League of Nations." This is a subject of interest to everyone at the present time and should be understood. Mr. Jerome is well qualified to present the subject intelligently. He has devoted much study and thought to the subject. Everybody invited.

J. Herbert Smith states that at a meeting of jobbers which he attended recently reports were presented which indicated that no reduction of prices on canned goods and many other articles in the grocery line can be expected for some time to come because of the big demands of the government for the regular army it is enlisting, and for the large numbers of soldiers overseas who will not all be mustered out for a good many months to come. He declares this is as hard on the merchants as it is on the consumers.

DEEP INTEREST SHOWN

"In the Shadow of the Cross" was the subject of Pastor Cole's sermon last night, and the stereopticon views shown added greatly to the effectiveness of the sermon. The attendance is not all that is desired, but the interest shown by the hearers does not flag. Tonight "The Question of the Ages" is the subject. This question was propounded by Pilate to the Christ and has been ringing all down the ages. Millions of people are still groping for the answer which seems so plain to some. It is expected there will be a large audience present tonight to hear the powerful presentation of this theme by Pastor Clifford A. Cole.

M. E. ACTIVITIES

The Fourth Year Junior girls of the First Methodist Church Sunday School gave a splendid program at the church on Saturday evening, to which many listened with delight.

The program consisted of the following numbers:

A play entitled, "Giving Aunt Patty a Shock."

Vocal Duet—Florence and Rosabel Arnett.

Three-act play, entitled, "Little Jane Patchwork."

Vocal Solo—Geraldine Meagher.

Vocal Duet—Florence Wilson and Mary Brooks.

Rev. Chas. Scott closed the program with special praise for the teacher, Miss Bessie Ross, and the girls who gave so much of their time to make the program a success.

A goodly sum was netted from the program and sale of candy.

SURVIVOR OF LIBBY PRISON

Rev. John L. Maile, who is the speaker at the Glendale Congregational Church tonight, is a man with a remarkable record.

As a youth he enlisted in the Civil War, was captured and held in Libby Prison for a long period, and almost died of hunger and cold. For years he has served most successfully as superintendent of missions in Michigan, Nebraska and California.

Dr. Maile is a man of remarkable intellect, deeply spiritual and a forcible speaker. He is a real orator.

The theme, "The Spirit of Love," will afford Dr. Maile a wonderful opportunity for the exercise of his remarkable pulpit ability.

Much interest was shown at last night's meeting. Rev. J. H. Lash gave an unusually strong and interesting sermon. The music by the choir of Lincoln Memorial Church of Los Angeles was greatly enjoyed.

BADGER STATE REUNION

Mrs. Gertrude Follansbee of this city was a guest Tuesday at a very delightful party given by Dr. and Mrs. Miller, who have been spending the winter at 608 South Adams St. It was a reunion of former residents of River Falls, Wis., and about twenty-five guests from Pasadena, Los Angeles, Hollywood and Glendale enjoyed their hospitality. The hostess, who is the mother of seven children, was assisted by them in entertaining, four sons constituting an orchestra for which she played the piano accompaniments. The three other children each gave vocal numbers, and one son violin solos. Mrs. Follansbee contributed readings. The house was beautifully decorated with Cherokee roses, and delicious refreshments were served.

HAVE YOUR VOICE TESTED

Prof. Kirchoffer will be at the home of Mrs. G. D. Roach, 328 West Lomita Avenue, tomorrow afternoon at 3:30, and will test the voices of all members of the Glendale Community Sing chorus who so desire and will meet him there. This service is free to all members of the chorus.

URGENT CALL TO MEET

The Emergency Relief Committee of the Tuesday Afternoon Club will have an all-day meeting tomorrow at the home of Mrs. J. G. Huntley, 102 N. Central Ave. All members are urgently requested to attend as there is quite a bit of Red Cross sewing to be finished.

ANGELS WIN TODAY

The game at the Intermediate School this noon resulted in a score of 6 to 5 in favor of the Angels. This was one of the best games in the series. Vernon Paul who was considered the best pitcher in the school last year but who has been on probation on account of deportment pitched his first game for the Angels since his release and won the game. Tom Morgan was pitcher for the Giants and did good work also. An Intermediate team will meet the High School Scrubs this afternoon.

NOW A RADIO OPERATOR

Hubert Woods, who graduated from high school in March, has just successfully passed his examination as commercial radio expert in San Francisco, and is now waiting appointment to some steamer. He has planned to spend the summer at sea as wireless operator, and in the fall will enter Throop University at Pasadena. At present he is with his sister, Mrs. Hugh Blue, who moved to San Francisco a few months ago after a residence of ten years in Glendale, where she has many friends.

MACCABEES RALLY

A big rally of Maccabees is taking place in Los Angeles for one week, beginning today. Tonight (Wednesday) a banquet will be served at the Alexandria, at which the lady commanders will be present, and a reception will follow in honor of Mrs. Bena West, who is the great supreme commander. Ladies attending from Glendale are: Mrs. Jennie A. Phillips, lady commander, Maccabees of Glendale; Mesdames Robbins, Eckles, Felix and Carmen Kinzie, record commander.

GLENDALE HIS CHOICE

J. F. Chandler recently sold to Mr. H. L. Hock the Stokes place of three and one-half acres, with seven-room house, at 904 E. Lomita Ave. Mr. Hock recently sold his extensive agricultural implement business in Clarion, Iowa, very advantageously and decided to locate in California. He arrived last January and first of all bought an auto, in which he has been seeing the country quite extensively. Of all the places visited Glendale seemed the most desirable, so he made the purchase as above stated. He will improve the place quite a bit, add more fruit trees and occupy his time with gardening and chicken raising.

NEWS EXONERATED

Mr. Editor:—

My only purpose in the former article was to inform the property owners in the Assessment District of the facts in the case, and we hereby exonerate you, and hold you guiltless of any intent to mislead your readers, since we learn you were not present at the "Very Enthusiastic Mass Meeting of the Citizens of Glendale," and did not write the article complained of.

We wish to thank you for the service rendered, for we feel it is no more than right for all in the Assessment District to know just what is going on, and you have helped us more than you can know.

We read with some amusement the article from the pen of Mr. Woodberry, in answer to my criticism, but fail to get any answer, although we fully appreciate the sarcasm and ridicule intended and the invitation to seek a home in some other part of Southern California. Even though it comes from an ex-Mayor, it will be declined with the same feeling as if from the ex-Pound-Master.

We are for peace and will fight for it if necessary.

OSCAR DUKE.

CERTIFICATE OF DOING BUSINESS UNDER FICTITIOUS FIRM NAME

The undersigned hereby certify that they are conducting a business at No. 1329 Gordon Street, in the City of Los Angeles, County of Los Angeles, State of California, under the fictitious firm name and style of "Model Comedy Co.;" that the business carried on at said address and by the undersigned is that of making, producing, developing and marketing of motion pictures; that the said Model Comedy Co. is composed only of the following named persons, who are the sole owners of said business, to-wit:

Name: Gale Henry Becker. Residence: 1030 South Brand Blvd., Glendale, Cal.

Name: Bruno Becker. Residence: 1030 South Brand Blvd., Glendale, Cal.

IN WITNESS WHEREOF, We have hereunto placed our hands and seals at Los Angeles, California, this 10th day of April, 1919.

GALE HENRY BECKER,
BRUNO BECKER.

State of California, County of Los Angeles—ss:

On this 10th day of April, 1919, before me, Anna E. Bingham, a Notary Public in and for the County of Los Angeles, State of California, residing therein, duly commissioned and sworn, personally appeared Gale Henry Becker and Bruno Becker, personally known to me to be the persons whose names are subscribed to the within instrument, and acknowledged to me that they executed the same.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal in said County the day and year in this Certificate first above mentioned.

(Seal) ANNA E. BINGHAM,
Notary Public in and for the County of Los Angeles, State of California.

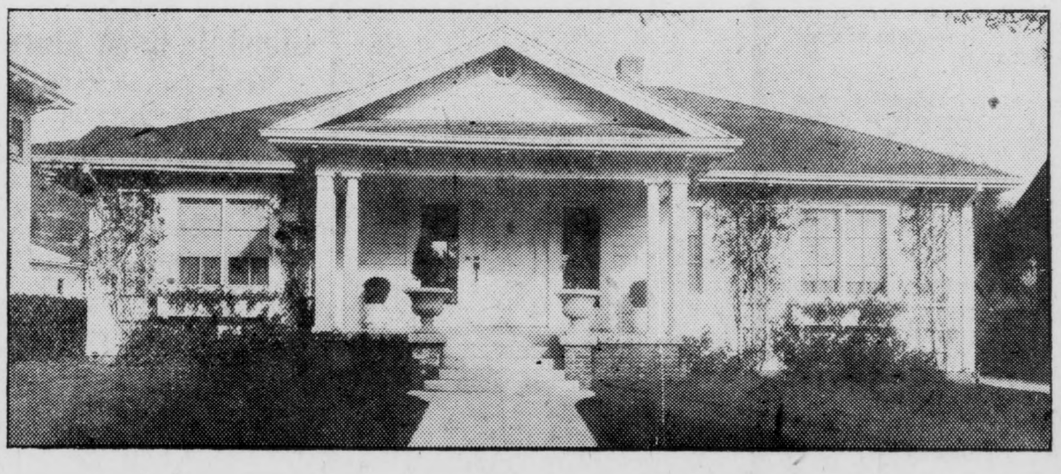
LET BENTLEY BUILD IT
A "BENTLEY-BILT" Home means satisfaction to the owner, practical in construction, convenient in arrangement, and we will contract to build this home complete, turn-key job, ready to occupy, for $2,850.



The departments of the Government—the Department of Labor and the Department of Commerce—together with the general feeling agreed upon at the recent meeting of all State Governors and Mayors at Washington, all working independently, have arrived at the same conclusion, namely, that the country is on a new price level.

Professor Irving Fisher, of Yale University, probably the country's first authority on the subject of uniform prices, has given the matter of after-war adjustments his most careful consideration, and he confirms the conviction that has been growing in the minds of all business men, namely, that present prices (and especially is this true of building materials) are not temporary, but permanent, and advises those who are in need of improvement or are contemplating any kind of construction that it be undertaken at once.

We are going to ask that you give serious consideration to the building of that new home, and we are submitting a plan that we are sure will meet with your approval. In addition to the home featured, we have equipped our business, making it possible for you to see, by means of actual photographs, just what your completed home will look and be like and just what it will cost. This complete building service has been procured for your convenience, and as it conveys all styles, sizes and costs of modern architecture, you will appreciate our making this possible.

DO YOU Operate on a Summer Hotel Plan?

No man runs a *summer* hotel through choice.

He'd make it a twelve month's proposition if the patronage was there.

Interest on investment, depreciation, etc., continue for twelve months, while the return is only for a fourth of the time.

You operate on the same plan if you employ a five-ton truck to haul five tons a few miles and find no paying work to keep it going the remainder of the day.

Put that type of truck in inter-city service!

Opportunities are everywhere—right at your door.

—Opportunities that GOODRICH DE LUXE Truck Tires will enrich with their deep, long-wearing and trouble-free treads.

Treads that have been specially toughened and fitted for sinew-cracking tasks.

—Treads that will make your truck a better investment under all circumstances.

GOODRICH DE LUXE TRUCK TIRES

QUOTES SCRIPTURE

(Continued from Page 1)

"Adam is a product of nothing and has no reality."

"Material bodies and material men are delusions."

The Bible declares: "In the beginning God created the heaven and the earth." Gen. 1:1.

Gen. 1:21: "And God created great whales and every living creature that moveth, which the waters brought forth abundantly after their kind, and every winged fowl after his kind."

Gen. 1:26, 27: 'And God said, Let us make man in our image, after our likeness: so God created man in His own image, in the image of God created He Him."

Mrs. Eddy's statment: "There is nothing in spirit out of which matter could be made," is an absurd assertion.

The Bible does not teach that God made matter out of spirit, but that he brought into existence, by His spoken word that which had not been in existence before He created it.

Mrs. Eddy says: "Man has a sensationless body.

"Matter is that of which immortal mind takes no cognizance, that which mortal mind sees, feels, hears, tastes and smells, only in belief. The only facts are spirits."

The Bible declares: Isaiah 53:5: "But he was wounded for our transgressions, He was bruised for our iniquities; the chastisement of our peace was upon Him; and with His stripes we are healed."

Christian Science denies that God is a person:

"Is there more than one God or Principle?

"Ans. There is not. Principle and its idea is one and this one is God."

"The principle of divine metaphysics is God."

"God is an impersonal being."

"God is not a person."

"God is a principle and principle cannot pardon."

The Bible declares, John 3:16: "For God so loved the world that He gave His only begotten Son that whosoever believeth in Him, should not perish, but have everlasting life."

You cannot conceive of an impersonal being or a principle, loving or being the father of a son.

John 17 sets before us the prayer of Jesus Christ. No sane man or woman can read that petition and deny the personality of God.

Christian Science denies that Jesus was the Christ.

"Christ is a divine principle, not a person, soul outside body. Jesus as material manhood was not Christ."

"Jesus and Christ continued until the Master's ascension and then the human corporal concept of Jesus disappeared."

"At the time when Jesus felt our infirmities, he had not conquered all the beliefs of the flesh or his sense of material life, nor had he risen to his final demonstration of spiritual power."

"The corporeal man, Jesus, was human."

The Bible declares, 1 John 2:18-22: "Who is a liar but he that denieth the Father and the Son."

The Bible definitely teaches that Jesus was the Christ. 1 Peter 1:18, 19: "Ye were not redeemed with corruptible things such as silver and gold, but with the precious blood of Christ."

1 John 1:7: "The blood of Jesus Christ, His Son, cleanseth us from all sin."

Christian Science denies prayer. Asking God to pardon sin is a vain repetition such as the heathen use." "Prayer to a personal God is a hindrance."

"God is not influenced by men." "The divine ear is not an auditory nerve."

This means God cannot hear!

The Bible declares: 1 Tim. 2: 1, 3, 8. "I exhort therefore, that, first of all, supplications, prayers, intercessions and giving of thanks, be made. For this is good and acceptable in the sight of God our Saviour."

"I will therefore that men pray everywhere lifting up holy hands without wrath and doubting."

Proverbs 15:8: "The prayer of the upright is his delight.

Isaiah 56:7: "My house shall be called a house of prayer for all nations."

1 Thess. 5:17: "Pray without ceasing." Luke 4:1-13.

Christian Science denies sin. "Because soul is immortal, soul cannot sin."

"Sin, sickness and death is a belief only."

"As long as we believe soul can sin, we can never understand the science of being."

The Hindus have taught for four thousand years that man is incapable of sin, but there is not a rottener spot this side of perdition than India. England had to compel them to stop burning widows; and their "sacred" prostitutes in temples, now prove their moral depravity.

The Bible declares, Ezekiel 18:4: "The soul that sinneth it shall die."

Matt. 10:28: "Fear not them which kill the body, but are not able to kill the soul; but fear him rather which is able to destroy both soul and body in hell."

Mark 7:21: Out of the heart of man, proceed evil thoughts, adulteries, fornifications, murders, covetousness, deceit, pride, blasphemy."

2nd Cor. 7: "Let us cleanse ourselves from all filthiness of the flesh and spirit."

Tonight Dr. Oliver will talk on "The Power of Concern."
